

UPS Belgium

Fact Sheet 2019

BACKGROUND

UPS® is a global leader in logistics, offering a broad range of solutions including the transportation of packages and freight, the facilitation of international trade, and the deployment of advanced technology to more efficiently manage the world of business. With its wide array of services to more than **220 countries and territories**, UPS delivers **20.7 million packages every day**. **Global revenue for 2018 was \$72 billion** on a total **annual volume of 5.2 billion packages and documents**.

ESTABLISHED IN BELGIUM

UPS first entered Europe in 1976 when it established domestic operations in Germany. UPS has since developed a comprehensive European service portfolio, combining local expertise in each market with UPS's international strength and high quality standards. UPS first offered its service in Belgium in 1985 and went on to establish its own Belgium-based operations in 1989 through the acquisition of Road Air Parcel Service NV. UPS subsequently merged with Seabourne Belgium NV, a Belgian company with cross-border licenses in 1991.
